A high-speed sailing boat, likely a catamaran, is shown from a low angle on the deck. The boat is moving quickly through a grey, choppy sea, with white spray from the hull visible. A large, dark sail with a prominent red 'HH' logo is on the left. Crew members are visible on the deck, wearing racing helmets and gear. One helmet in the foreground has 'SLINGSBY' and 'NEW YORK YACHT CLUB AMERICAN' written on it. Another helmet further back has the number '19'. The sky is overcast and grey. A white rectangular box with a thin border is centered over the image, containing the word 'HYDROPOWER' in white capital letters, with a small teal circular logo to the left of the 'H'.

A close-up, low-angle shot of a sailor on a boat. The sailor is wearing a black Helly Hansen jacket with the brand name 'HELLY HANSEN' in white letters on the sleeve, and a white cap with the 'HH' logo. The sailor is smiling and looking towards the right. The background is a deep blue sea with white foam from the boat's wake. A white rectangular box is superimposed over the center of the image, containing the word 'FLOTATION' in white capital letters.

A full-page background image featuring a hiker in a blue jacket and backpack standing on a jagged, dark rock peak. The hiker is looking out over a vast, hazy mountain valley filled with dense evergreen forests. The sky is filled with soft, orange-tinted clouds, suggesting a sunset or sunrise. The overall mood is serene and adventurous.

A full-page background image of a mountain landscape. In the foreground, two hikers are walking along a rocky ridge. The hiker on the left is wearing a grey long-sleeved shirt, black pants, and a blue cap. The hiker on the right is wearing a light-colored jacket, dark shorts, and a ponytail. They are walking towards the right. The ridge is covered in reddish-brown rocks and some sparse green vegetation. In the background, there are steep, forested mountains under a hazy sky. A body of water is visible in the distance on the left side. A white rectangular box is centered in the middle of the image, containing the text "OUTDOOR SPORTS" in white, uppercase, sans-serif font.

ALPINE FROST

A full-page photograph of a female mountaineer in a white jacket, white helmet, and blue-tinted sunglasses. She is pulling a blue and orange rope. Her harness is loaded with climbing gear. The background shows a snowy mountain peak under a cloudy sky.

W OUTDOOR

A woman with long brown hair, wearing a white climbing helmet, a black jacket, and a large black backpack, is looking up at a steep, moss-covered rock face. The rock face is covered in green moss and has some darker, rocky patches. The woman is standing on a grassy, mossy slope. The word "ODIN" is written in white capital letters inside a white rectangular box, positioned over the woman's helmet and the rock face.

LAGOON ALPINE FROST

A close-up portrait of a man with dark, slightly messy hair and a light beard. He is looking upwards and to the left with a focused expression. He is wearing a dark-colored jacket with a high collar and a quilted olive-green inner lining. A silver zipper pull is visible on the front. The Helly Hansen logo, consisting of two stylized 'H's, is printed on the lower right side of the jacket. The background is a soft, out-of-focus sky.

A close-up, slightly low-angle shot of a man with short, wavy brown hair and a light beard. He is looking down and to his left with a slight smile. He is wearing a dark navy blue button-down shirt over a white t-shirt. A pair of tortoiseshell sunglasses is hanging from the neckline of the white t-shirt. On the left chest of the navy shirt, there is a white logo consisting of the letters 'H' and 'M' stacked vertically. The background is dark and out of focus, suggesting an outdoor setting at dusk or dawn. The lighting is warm and directional, coming from the upper right, casting soft shadows on his face and clothing.

A man wearing a black, hooded raincoat stands in the rain. The rain is visible as numerous white streaks and droplets on his face and the fabric of his coat. He is looking off to the side with a serious expression. The background is a blurred landscape with a body of water and distant hills under a grey, overcast sky. The word "PROTECTION" is written in white, uppercase letters, centered within a white rectangular border that is slightly offset from the center of the image.

A full-page photograph of a woman with long, wavy, reddish-brown hair and freckles. She is wearing a light green, belted trench coat with a wide collar and large pockets. Her hands are in her pockets, and she is looking off to the side with a thoughtful expression. The background is a blurred outdoor setting with water and a wooden pier. The text 'W LIFESTYLE' is overlaid in a white box in the center of the image.

W LIFESTYLE

A woman with long dark hair is walking down a set of concrete stairs in an urban environment. She is wearing a dark navy blue raincoat with white piping along the zipper and hood, and light blue jeans. The background features a modern building with a grid of windows and a clear blue sky. A woman with long brown hair, wearing a white button-down shirt and dark sunglasses, is sitting on the deck of a boat. She is looking off to the side, with her hand resting on her head. The boat's deck is made of light-colored wood planks, and a black metal railing is visible in the foreground. The background shows a calm blue sea under a clear sky. A close-up photograph of a person's lower leg and foot as they step on a wet, mossy rock in a shallow stream. The person is wearing a dark blue and black trail running shoe with bright yellow-green laces and a white midsole. The shoe has "C-PRO EAGLE TR" printed on the side. The surrounding environment is lush with green vegetation and rocks. A white rectangular box is superimposed over the shoe, containing the text "TRAIL RUNNING".

A man with short brown hair and a light beard is standing on the deck of a boat. He is wearing a white short-sleeved polo shirt with a small blue logo on the left chest and dark blue trousers. He is looking off to the side with a slight smile. The background shows a body of water and distant hills under a cloudy sky. The boat's railing and a vertical pole are visible in the foreground.

A woman with blonde hair tied back, wearing sunglasses and a light-colored long-sleeved shirt with a small 'HH' logo, is climbing a large, grey rock. She is wearing dark leggings and blue sneakers. A black backpack is on her back. The background shows a vast mountain landscape with green slopes, a blue lake, and distant mountain peaks under a blue sky with scattered clouds.

WOMEN'S FOOTWEAR

A full-page photograph of a hiker in a mountain landscape. The hiker, seen from the side, is wearing a teal jacket, purple shorts, and a large black backpack.
